BUSINESS UPDATE - ENERGOPROJEKT HOLDING PLC. BELGRADE

**ENERGOPROJEKT GROUP MEETS THE ANNUAL PLAN
FOR NEW CONTRACTS IN 2014**

Energoprojekt Group's business plan for 2014 set out an expected €293 million in new domestic and international contracts during the year.

With the new contracts awarded in July 2014, the expectations of Energoprojekt Group for 2014 have now been fulfilled, nearly doubling the total value of contracts obtained during the entire previous year.

As of end-July this year, Energoprojekt Group has secured in excess of half a billion euros in signed contracts to be realised in the coming period. The reported value of pending contracts represents a serious business potential that will ensure stable business performance in the future.
