## INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF ENERGOPROJEKT HOLDING a.d. BELGRADE

We have audited the accompanying consolidated financial statements of Energoprojekt Holding a.d. Belgrade and its consolidated subsidiaries (hereinafter: "Sistem Energoprojekt") which comprise the consolidated balance sheet as of 31 December 2015, and the consolidated income statement, consolidated statement of other comprehensive income, consolidated statement of changes in equity and consolidated cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

### *Management's Responsibility for the Consolidated Financial Statements*

Management of Sistem Energoprojekt is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with the accounting regulations prevailing in the Republic of Serbia, based on the Law on Accounting ("Official Gazette of the Republic of Serbia", no. 62/2013), and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.

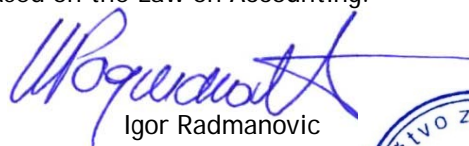

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Sistem Energoprojekt as of 31 December 2015 and its financial performance and its cash flows for the year then ended in accordance with the accounting regulations prevailing in the Republic of Serbia based on the Law on Accounting.
