„OSCAR FOR QUALITY FOR 2014“ AWARDED

TO ENERGOPROJEKT HIDROINZENJERING AND ENERGOPROJEKT ENTEL

In the Chamber of Commerce of Serbia, was granted the 20th jubilee Award for the Business Excellence “Oscar for Quality 2014”. The award was assigned for three categories – private and public sector and for companies beyond the territory of Serbia.

Within the private sector, one of the awarded companies is Energoprojekt Hidroinzenjering plc for the partnership and resources, processes, products and services.

On the occasion of the 20th anniversary of these awards, the special prize “The best of the best” was assigned in the category of small and medium enterprises and also large enterprises, for the best results achieved in the competition in the last 19 years as well as for the sustainable excellence. The winner in the category of small and medium enterprises is Energoprojekt Entel plc.

The award “Oscar for Quality” established in 1994 has been granted since 1995, first as the award for quality, and then, since 2000 as the award for the business excellence. The rule model for this award was the European award for the business excellence (EFQM Excellence Award).
